WORK EXPERIENCE

○ **May 2023 - Dec 2023**
Front-End Developer

InnoStark Technologies

I have had the opportunity to contribute my skills and expertise in crafting visually appealing and user-friendly interfaces using React.js. In this role, I played a key role in designing and implementing the front-end for a client's software solution, leveraging my proficiency in Material-UI and Tailwind CSS.

○ **2022 - May 2023**
IT Manager

Haramain Abrasive Industries

I successfully created and managed Haramain's official website and portfolio, establishing a strong online presence and effectively showcasing our brand. Furthermore, I utilized Microsoft Excel to enhance data visibility, implementing tracking mechanisms that facilitated data analysis and informed strategic decision-making. Through my expertise in digital and email marketing, I played a pivotal role in boosting company growth. I also proactively learned about various sales functions and best practices, leveraging this knowledge to develop effective sales strategies
